Introducing Our Newly Remodeled Assisted Living Community Area

We're working on something special at The Cedars! Our newly remodeled Assisted Living Community Area is under way. The facility offers 50 spacious apartments with a modern yet cozy feel with activities and amenities for all to enjoy.

This new remodel was carefully designed with residents in mind. Our goal is to enhance the social experience for residents and to continue building relationships with residents, families, and staff.

Assisted Living Amenities:

- 100+ monthly activities
- Off-campus trips and excursions
- Technology center
- Coffee bar
- Restaurant-style dining
- Indoor and outdoor dining areas
- Classroom presentations
